

YOUTH MISSION WEEK

This Summer!

July 23rd through the 27th we will spend a week doing local mission projects at various sites around the community. There will be gleaning, work with the Duvall home and with other organizations in the area. Signing up means that you are agreeing to the WHOLE week as well as to our service on Sunday where we will lead and put together worship as a group. Following your week of service we will have a day of fun and excitement to celebrate all your hard work.

Interested in signing up? Contact Cara by February 28th to register. The cost is just \$25!

Name:

Phone number:

I/we _____ (parent signature) give my son/daughter, permission to participate with the WBTS mission week, during the summer of 2012. I understand that we are making a commitment together as a family to do our part in preparing for this

trip through fundraisers, group building times, in prayer throughout the year and during the trip itself.
